

Camping Permit Request

Cost for weekend camping is \$40 with electric and \$30 for rustic camping without electric and by preregistering (mailing this form and payment in by June 8th) you will receive a \$5 discount. Camping does not include water hook up or 220 watt to run A/C (Fairgrounds cannot accommodate A/C and those trying to run A/C will compromise other camper's power and will be charged additional fees)! Please specify if you will be rustic camping or electric camping as your permit will be documented accordingly.
